Request for Corrected Official Filing Receipt

Commissioner for Patents Washington, D.C. 20231

Sir:

Attn: Office of Initial Patent Examination's Customer Service Center

Applicants hereby request that a corrected Official Filing Receipt be issued and sent to the undersigned representative. Specifically, the following corrections to the Official Filing Receipt are requested: In the "Domestic Priority data as claimed by applicant" section, please insert -- This appln claims benefit of 60/297,434 06/13/2001 ---

In support of the above request, a photocopy of the instant Official Filing Receipt is enclosed with the corrections noted in red. Support for the addition of this second priority application can be found in the application as originally filed, on page one, first paragraph, immediately beneath the application title. The second priority application is listed as "U.S. Provisional Application, entitled Cyk-4 polypeptides, DNA molecules encoding them and their use in screening methods, Atty. Docket No. 0652.2260000, filed June 13, 2001," because, at the time of filing of the captioned application, the second priority application had not received a serial number from the U.S. Patent and Trademark Office. As this error is on the part of the United States Patent and Trademark Office, it is believed that no fees are due. It is requested that a corrected Official Filing Receipt be issued, and sent to the undersigned at the earliest possible time.

Respectfully submitted,

STERNE, KESSLER, GOLDSTEIN & FOX P.L.L.C.
